3. Indicate REASON and supply DOCUMENTATION, SIGN and MAIL your form for processing.
4. All checks issued by Voya Financial are mailed to your current address on record. If the address on record is incorrect, please contact your employer to update your current address and verify that the Plan has been updated prior to submitting this form.
5. **If final request is denied**, you may resubmit all forms and documentation for redetermination to: DTMB, Office of Retirement Services, 401(k) Plan, P.O. Box 30171, Lansing, MI 48909-7671.
6. If you are over 59 1/2, you do not need to apply for a hardship withdrawal to receive a distribution from the 401(k) Plan. Instead, you may take an in-service withdrawal by completing a Payout Request form. Call the State of Michigan Service Center or visit the Plan Web site for details.

PLEASE NOTE: AN INCOMPLETE APPLICATION OR NOT SUPPLYING ALL REQUIRED DOCUMENTATION WILL CAUSE A DELAY IN RECEIVING YOUR CHECK.

HARDSHIP REQUIREMENTS

1. The amount of the withdrawal cannot exceed the amount necessary to relieve the immediate and heavy financial need. However, you may increase the amount to pay the taxes and penalties that you may incur as a result of the hardship withdrawal.
2. IRS allows hardship withdrawals only when other financial resources are not reasonably available. Since a loan and other distributions from the plan are considered other resources, you should take them from all plans maintained by the employer first, if available. If you have any questions regarding other available resources, please contact a Customer Service Associate or go online. The contact information is available on the last page of this form.
 - I have exhausted all other means available. I understand that if a loan is available to me under the State of Michigan 401(k) Plan for Public Schools, my hardship request will be rejected.
 - I have exhausted all other means available. I understand that if other distributions are available in the State of Michigan 401(k) Plan for Public Schools, my hardship request will be rejected.
3. You will not be permitted to make employee contributions to this plan or in any other plan maintained by the employer for a 6-month period starting with the date your hardship withdrawal is disbursed.
4. If approved, a \$50 processing fee will be deducted from my account.

CHOOSE AMOUNT REQUESTED

Amount Requested: Withdraw the following (choose one):

Maximum available (not to exceed amount documented) OR \$ _____ (indicate the total dollar amount)

Note: If your available hardship withdrawal amount based on your current account balance is less than the financial need specified above, the hardship will be processed up to the maximum amount available. If you elected an additional tax withholding, we will process using the default withholding rate of 10% for federal taxes and the required state tax, if applicable.

If your hardship withdrawal amount is approved for a partial amount, based on the supporting documentation provided, the hardship will be processed up to the partial amount approved. If you elected an additional tax withholding and did not elect to gross up, we will process using the default withholding rate of 10% for federal taxes and the required state tax, if applicable.

CHOOSE TAX WITHHOLDING AND GROSS UP ELECTION

Tax Withholding Elections: Regardless of whether or not federal or state income tax is withheld, you are liable for taxes on the taxable portion of the payment. If you do not have a sufficient amount withheld, you may be subject to tax penalties under the Estimated Tax Payment rules. An election made for a single non-recurring distribution applies only to the payment for which it is being made. You are responsible for understanding and planning for the tax implications of any withdrawal. You may wish to contact your financial/tax advisor before submitting this form.

Federal Withholding Rules: Non-periodic payments – 10% withholding Non-periodic, non-rollover eligible payments from pensions, annuities, and IRA's are subject to a flat 10% federal withholding rate unless you choose not to have federal income tax withheld. These include for example, required minimum distributions and hardship withdrawals. You can choose not to have withholding applied to your non-periodic distribution by checking the applicable box below. You may also elect withholding in excess of the flat 10% rate.

Federal Withholding Elections:

- DO NOT** withhold any federal income tax unless mandated by law.
- DO** withhold federal taxes using the default withholding rate of 10%.
- Additional amount** you want withheld from your payment \$ _____ (**Note:** This amount is in addition to the default withholding rate of 10%.)

Note: If no federal withholding election is checked above, we will withhold using the default withholding rate of 10%.

Notice: Payments to non-resident aliens are subject to a 30% federal withholding tax, and U.S. persons with a residential mailing address outside the United States may be subject to a 30% federal withholding tax, unless they are eligible for a reduced rate or exemption under a tax treaty and the required IRS tax forms are submitted.

State Withholding Elections:

- DO NOT** withhold any state income tax unless mandated by law.
- DO** withhold state taxes in the amount of \$ _____ or _____% (If you make this election, a dollar amount or percentage must be specified and cannot be less than any required withholding.)

Note: If no state withholding election is checked above or if your state requires a greater amount of withholding, we will withhold at the rate specified by your state of residence for the type of payment you are receiving. In some cases, your state specific withholding election form is required to opt out of withholding or to choose a rate other than the state's default rate. Refer to your plan's website and/or your State Department of Taxation for details.

Gross Up Elections: You may elect to increase the amount of your withdrawal so that the check you receive will be for the amount you requested after your elected tax withholding and anticipated penalties are withheld. This is called gross up. If there are no changes to the tax withholding elections above, and you elect to gross up, your withdrawal amount will be increased to cover the default withholding rate of 10% for federal taxes and the required state tax, if applicable. Please choose from each gross up options below:

For example: If your stated withdrawal need was \$1,000, you elected to gross up and have 10% + \$100 withheld for federal taxes, the \$1,000 pre-tax withdrawal amount could be increased to \$1,222.22. You would receive a net check amount of \$1,000; the additional \$222.22 (10% + \$100 of \$1,222.22) would be sent to the IRS to pay taxes. You may only increase the withdrawal amount if there are sufficient funds available in your account.

Gross up for state: Yes No **Gross up for federal:** Yes No **Gross up for penalty:** Yes No

Note: If no gross up election is checked above, we will not gross up your withdrawal.
