## How Contributions Work

Contributions are made conveniently through payroll deduction to allow you to accumulate savings towards the goal of achieving sufficient income in retirement.

### Supporting Your Efforts To Save

You can make pre-tax contributions to the 457 Plan.

- Contributions are automatically invested in one of the funds available , based on your date of birth and assuming you will retire at age 65, until you direct otherwise. You may change your contribution and/or investment options at any time.
- Try to start saving as early as you can, and save as much as you can afford to take advantage of time and compounding. After you start contributing to the plans, your goal should be to increase your savings rate each year. If you haven't started to save, it's time to get started.

### Contributing to the 457 Plan

You may contribute as much as you wish to the 457 Plan, as long as you do not exceed the .

## Take Advantage of The Catch-Up Opportunity If You Are Over 50

If you'll be 50 or older this year, you're eligible to make catch-up contributions in the 457 Plan up to the [redacted]. This is a good opportunity to make up for years you may not have been able to contribute. If you are at least age 50 by the end of the calendar year, your contributions will automatically be allowed up to the maximum age 50 limit. If you have questions or want to make a catch-up contribution, call the Plan Information Line at **1-800-748-6128**.

- If you have not made the maximum contribution in prior years, you may be eligible for the Traditional Catch-Up Contribution. This allows you to contribute up to twice the annual dollar limit for the three calendar years prior to the year in which you attain normal retirement age (between age 50 and age 70½). If you wish to take advantage of the Traditional Catch-Up Contribution, you must call the Plan Information Line at **1-800-748-6128**.
- You may not participate in the Over 50 Catch-Up and the 457 Traditional Catch-Up during the same calendar year in the 457 Plan.

## Consolidating Your Retirement Assets

If you have a retirement plan balance from previous employment, you may be able to transfer or roll over this balance into a 401(k) or 457 Plan account.

- **401(k) Plan:** Balances from an eligible retirement plan such as a 401(a), 401(k), 403(b), Roth 401(k), Traditional IRA or SEP-IRA may be rolled over into the 401(k) Plan.
- **457 Plan:** Only approved balances from other governmental 457(b) plans may be transferred into the 457 Plan.

### Request a Rollover Contribution

To request a Rollover Contribution, you must complete a Rollover Contribution Form or Roth Rollover Contribution Form. For assistance, you may also contact the Plan Information Line and speak with a Customer Service Associate.

## Don't Forget to Name Your Beneficiaries

After you have begun contributing to the 457 Plan and/or rolled money into a 401(k) Plan, it's important to name your beneficiaries so that in the event of your death, your savings will be distributed the way you want. Here's how it works:

- You may have the same beneficiary for both the 401(k) and 457 Plans, or you can have different beneficiaries for each Plan.
- You can change your designated beneficiary whenever you need to online.
- Beneficiary elections may also be made through written request using the form.
- Paper beneficiary forms are required if you are married and you wish to name someone other than your spouse as your primary beneficiary in the 401(k) and/or 457 Plan, since your spouse must provide consent. This form is available on the Plan Web site or by calling the Plan Information Line at **1-800-748-6128**.

**Be sure to name  
a beneficiary.**

## Pay Attention to Your Account

**One of the best ways to stay on top of your account is to take a hands-on approach.**

- **Account statements** — Semi-annual statements are mailed in mid-January and mid-July. It is very important for you to review your statement each time you get it. These statements summarize your transactions, account balance and investment performance. The statements also list your contribution rates, beneficiary elections, and plan investment and administrative fees. You may choose to receive your statements electronically.
- **Online** — You can access account information online at anytime.
- **By Phone** — When you have questions about your account, you can call the Plan Information Line at **1-800-748-6128**.
- **You can access your Plan account using** — Your iPhone, iPod touch or Android™ device. Download the free app directly from the App Store<sup>SM</sup> or the Google™ play store (keywords: Voya Retire).

### Newsletter

You will receive a newsletter along with your account statement that includes important plan information, updates about any changes in the plans, or the effect of new laws on the plans. Newsletters are also available .

#### Save Some Trees

Many participants are choosing to receive their statements and confirmations electronically. Go to the Preferences section of your online account to add your email address, select your preferred delivery options and you will be notified when your statement is available.

## Loans

A plan loan is available if you occasionally need access to your money for non-recurring financial needs. Bear in mind that the size and frequency of loans may affect the amount of money you will have at retirement. It's always a good idea to stay fully invested until retirement to improve your chances of retirement readiness.

### Applying for a Loan

You can borrow from your 457 Plan account and pay yourself back with interest through an automated repayment plan.

- **Two Types of Loans** — General loans have a repayment period of 2 months to 60 months. Residential loans are designed to help you purchase your primary residence and have a repayment period of 61 to 360 months. Proof of purchase is necessary to qualify for a residential loan.
- **Loan Amounts** — The *minimum* loan amount allowed is \$1,000. The *maximum* loan amount is the lesser of 50% of your account balance or \$50,000, minus your highest outstanding loan balance in the last 12 months and any defaulted loan balances, including accrued interest on defaulted loans.
- **Interest Rate** — The interest rate for loans is the Prime Rate as quoted in the Wall Street Journal on the first day of the month prior to the month in which the loan is requested.

### Considering a Loan?

Although a loan is available if you need it, remember it's always a good idea to stay fully invested until retirement. To learn more about loans, call the Plan Information Line at **1-800-748-6128**.

## *Loans (continued)*

- **Restrictions** — Only one loan may be outstanding at a time. Balances in the Self-Managed Brokerage Account are not available for loans. In order to take a loan you will need to transfer the money back to the core funds. 401(k) account balances are also not available for a loan.
- **Fees** — There is a \$75 non-refundable application fee for each loan and a loan maintenance fee of \$8.75 per quarter.

## **Repaying a Loan**

Payments on your loan must be made through periodic automatic repayment plan established with your bank. If you have insufficient funds at the time the transaction is processed, it will be re-processed the following month along with the next month's payment. Interest will also accrue on missed payments.

Loans can be repaid in full at any time by contacting the Plan Information Line to receive your loan payoff amount and instructions. Partial repayments are not accepted.

All outstanding loans must be kept up-to-date or fully repaid when you go on leave of absence (except military leave) or terminate employment. Otherwise, the loan will default after 90 days and the balance will become a taxable distribution to you.

For additional detail, see the Loan Policy Statement online under

### **Check Your Loan Online**

You can request or model a loan, or see your current loan balances online, or by calling the Plan Information Line at **1-800-748-6128**. Loans for the purchase of a home require a signed promissory note.

## In-Service Withdrawals

### Age 70½ Withdrawals

**Participants over age 70½ who are still actively employed** may take a distribution from their 457 accounts. Before taking a distribution, you should consider your decision carefully. Such distributions are taxable as ordinary income unless being rolled over. 20% will be automatically withheld from your distribution for federal tax purposes.

### Rollover Withdrawals

Participants who have made rollover contributions may take a distribution of eligible monies from their 401(k) or 457 Rollover contribution account. Distributions received from the 401(k) Plan prior to age 59½ may be subject to a 10% federal early withdrawal penalty unless you are rolling over the assets to another qualifying tax-deferred plan.

See page 10 for more on withdrawals.

### Considering a Withdrawal?

To withdraw your retirement money you must meet certain criteria. Call the Plan Information Line at **1-800-748-6128** to discuss your options.

# State of Michigan 457 Plan Highlights

## Unforeseeable Emergency Withdrawals

Unforeseeable Emergency Withdrawals can be taken from your 457 Plan account for certain extreme financial emergencies that are caused by circumstances beyond the control of the participant.

You must first exhaust all other loan and withdrawal possibilities before requesting an Unforeseeable Emergency Withdrawal. After taking a 457 Plan Unforeseeable Emergency Withdrawal, you will be suspended from making contributions to the 457 Plan for six months and lose all employer matching contributions for this period.

These withdrawals are limited to contributions only. If you take a 457 Plan Unforeseeable Emergency Withdrawal, the amount will be subject to federal, state and local income taxes. Hardship withdrawals are also available from the 401(k) plan. Contact Voya™ for details.

## Requesting Withdrawals

- To request an Unforeseeable Emergency Withdrawal, you must complete an Unforeseeable Emergency Withdrawal Form. For assistance, call the Plan Information Line and speak with a Customer Service Associate.
- To request a Rollover In-Service Withdrawal, call the Plan Information Line and speak with a Customer Service Associate for assistance.
- There is a service fee of \$50 for each approved In-Service Withdrawal request.

### Understand the Taxes Involved

Withdrawals have tax implications. Be sure to consult with a financial advisor before taking one.

## Options When Leaving Employment

When you leave employment you have several options for your retirement savings.

### Options For Your Retirement Savings

For most individuals, no immediate action is required. If your account balance is \$500 or more and you are less than 70½ years of age, you have four choices:

- 1. Leave the money in your 457 Plan account and/or your 401(k) (if you've rolled money into it) and maintain tax-deferred growth.** You must begin taking distributions in the year you reach age 70½.
- 2. Consolidate your retirement savings by rolling additional money in from other retirement plans —** such as from a 401(k), 401(a), 403(b), 457, or IRA. You can do this within one year of your termination of employment.
- 3. Select among several flexible payout options.**
- 4. Roll your account assets over** to an IRA or other eligible retirement plan.

If your vested account balance is less than \$500, you will automatically receive a lump-sum payment if you take no action within 60 days. There is a service fee of \$75 on all full distributions or rollovers from the 401(k) or 457 Plan and \$25 on all partial distributions or rollovers from the 401(k) or 457 Plan.\* Be sure to speak with an advisor to ensure you fully understand the consequences of rolling assets out of the State of Michigan 401(k) or 457 Plans.

\*Excludes installments, participants over age 70, Required Minimum Distributions, distributions under \$100, and automated payouts (for residuals and deminimus loans).

### Leaving Employment?

- If you are leaving employment, review all available information to be sure you fully understand your options.
- If you are considering a distribution of your money, it's a good idea to call the Plan Information Line to discuss the process.
- Remember, it's best to stay invested until you retire to improve your chance of readiness.

*Leaving Employment (continued)*

## Your Distribution Payments\*

You may begin receiving payments 30 days after Voya receives your termination date from your employer if your paperwork is received in a timely manner. For Payout Request Forms received after 30 days, payment will be made as soon as administratively feasible. Voya must receive notice of your termination from your Michigan public school employer(s) before payment can be issued.

All installment payments are made in the last week of the month for receipt by the 1st of the following month. A lump-sum payment may be issued on any business day.

### Don't Forget To

- Update your beneficiary designation information with Voya.
- Update your address information with your employer and Voya.

*\*All payments, regardless of frequency, will be issued from the Stable Value Fund first. If the money in the Stable Value Fund is not sufficient to cover the payment, liquidation from your other existing funds will occur on a pro-rata basis. If all your money is in a Self-Managed Brokerage Account, you will have to sell assets and transfer money to the core funds as needed to allow liquidation and disbursement to you. You may choose to have payments made from your pre-tax funds or your Roth funds. Otherwise, payments will be made pro-rata across all fund sources.*
